veterinarian, local retailer, or online
at www.natraflex.com

Superflex is an exclusive formula comprised of
Natraflex Premium Velvet Antler, synergistic ginseng,
and natural flavoring for your pets' health and
enjoyment. Natraflex Premium Velvet Antler is used
every day by millions of people and pets worldwide to
improve joint flexibility and to provide support for joint
health, energy, vitality and strength. Superflex Pet
Formula naturally contains anti-inflammatory
compounds and other nutrients that help boost and
revive your pets' energy levels, rebuild weakened
joint cartilage, strengthen teeth and bones and
improve coat condition. Now available to your best
friend, Superflex will improve the quality of life for your
beloved dog or cat.
